Letter from E.M.Gawne Esq., I.C.S., Collector of South Kanara, Ref.C.No.1185-33-A6, dated 17th May 1933:-

S.No.75/1 of Pachanady village, measuring 0-30 acres in extent has been notified for assignment to the Parish Union of the Diocese of Mangalore. It stands registered as assessed waste dry. It has been enclosed by a wall enclosure of rough laterite stones raised about 15 years ago by the holder of S.No. 89/2. The cost of the wall is estimated at Rs.50.

See sketch at p 3 of (G) Collr Ltr

2. S.No. 89/2 of Pachanady village is shown in the eye-sketch at page 33 of the darkhast records as 'the hosagme land owned by V.A. Santeni for the use of the Milagres Church'. But its present holder is reported to be the Vicar of St.Lawrence Bondel Church of Pachanady village. The registration in the revenue accounts is due to the fact that till 1923, the Parish Church of Pachanady was attached to the Milagres Church, Mangalore. It has now become a separate parish. S.No.89/2 is the burial ground of the Church and evidently when the wall was being raised this small piece of S.No. 75/1 was taken in by accident, as it is not required for burial ground or other purpose. Some of the land is kumki but the kumkidars, who are themselves Christians, have waived their claims in favour of the Church.

3. The Tahsildar and the Revenue Divisional Officer recommend the assignment of the plot in the name of the Parish Union of the Diocese of Mangalore. The Vicar of the Church and the Secretary of the Parish Union have no objection to this. As the Union is an alien body, I request that the Board may be pleased to move the Government to permit the assignment of S.No. 75/1 of Pachanady village to the Parish Union of the Diocese of Mangalore.

4. The Parish Union does not own any lands in the village. But in this district it owns 125.37 acres of land whose market value is estimated at Rs. 7196.

5. The records of D.R.654/41 are enclosed.

II

Board's reference thereon No. B 2639/33-1, dated the 25th May 1933 :-

The Collector is requested to report the purpose for which S.No.75/1 is required by the Church and whether it should not be alienated under B.S.O.24 if it is required for a burial ground, church etc.

III

Letter from E.M.Gawne Esq., I.C.S., Collector of South Kanara, Ref.C.No. A6-1185-33 dated the 6th June 1933:-

Reference.- Board's reference No.B 2639-33-1, Land Revenue and Sett., dated 25th May 1933.

I invite a perusal of para. 2 of my report Ref.C. No. 1185-33-A-6, dated 17th May 1933 and the sketch at page 33 of the darkhast records. The small strip measuring 30 cents though not required for burial ground or other church purposes has been included in the compound wall of the burial ground. No burials are reported to have been made in it as yet. The burial ground in S.No.89/2 is reported to be situated at some distance from the plot proposed for assignment. There is no object in converting No.75/1 to poramboke, because the burial ground S.No.89/2 is not poramboke but private land of the Church. Hence alienation of the plot under B.S.O. 24 is not recommended.

Submitted to Government.

2. The Board supports the Collector's proposal to assign S.No. 75/1 (0.30 acres) of Pachanady village to the Parish Union of the Diocese of Mangalore.
